CR0047

Made in China

Convenient to Use

Plug and Play on Windows or Mac OS systems; use your IC/ID card for online tax reporting, online banking and online identification.

Wide Compatibility

Supports ISO/IEC 7816 Class A, B and C (5 V/3 V/1.8 V) cards; perfect for e-commerce, home banking/shopping, pre-paid card systems and transportation related systems.

* Does not support the German identity card.

Simple Design

Compact slot design; effortlessly insert the card smoothly without jamming. The bottom anti-skid pad ensures the device will not slide when inserting the card.

Connection via USB 2.0
type A interface

⚠ Please install the necessary software for reading the smart card. E.g. Chipcardmaster.
