

LogiLink®

Wireless Presenter

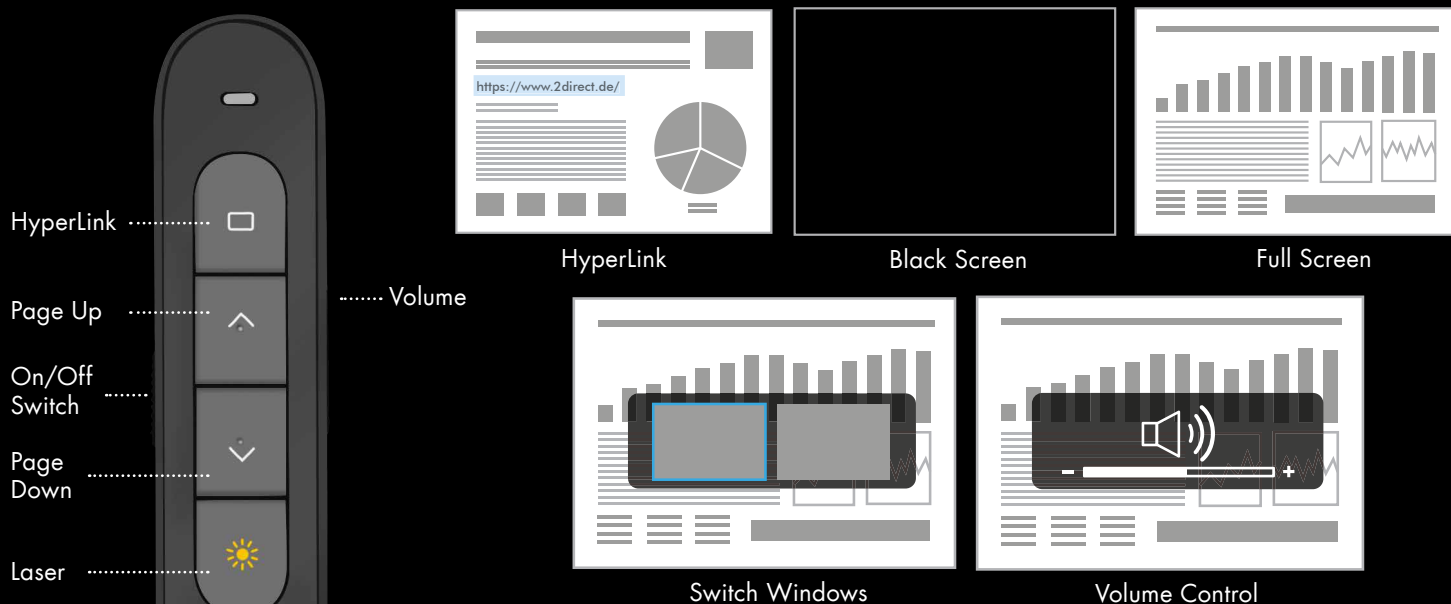

Art. No.: ID0190

	Mac OS		
Windows	Support	Android	Linux
2.4 GHz	Hyperlink	Volume Control	Switch Windows
Black Screen	Full Screen	Page Up/Down	Power Saving

Present Smarter, Move Freely

Designed to help you make your point with confidence. Comes with multi-functional control keys allowing you to adjust the volume, click hyperlinks, switch windows, page up/down and transition to full screen/black screen. With a red laser pointer that's easy to see against most backgrounds and a wireless range of up to 50 m, you can freely move around the room and mingle with your audience. Great for meetings, speeches and training.

Multi-functional Controls

The intuitive 6-button design (Hyperlink, Page Up, Page Down, On/Off Switch, Laser, Volume), with the option to black the display out, you can go full screen or switch windows when needed. Effortlessly focus on what matters, your audience.

Light Up Points of Interest

Illuminate your key message at the push of a button with the red laser pointer and impress your audience.

200 m Light Distance

Minimalist Design

Compact and elegant design that is both lightweight and fits comfortably in your hand.

Specifications:
