USB Port Blocker

Art. No.: AU0043
AU0044
AU0045
AU0046

The simple and effective USB lock for blocking access to a computer's USB port! With this neat little device, system administrators can physically prevent users from connecting Pen Drives, MP3 Players and other USB Mass Storage Devices to their computers to copy data or insert viruses.

Features:

- » Physically blocks access to an USB port
- » Quick and easy to use
- » Prevent damage to USB ports
- » Visual security deterrent
- » Each key only works with a lock of the same color
- » Color: Blue

Push the button backwards and pull out the Key. The USB port is locked.

Insert the Key with blocker to an USB port.
