## DisplayPort™ Female to Female Coupler

Art. No.: CV0145

The DisplayPort female to female coupler offers you a simple solution for joining two DisplayPort cables to achieve connectivity over a longer distance.

- » Connecting two DisplayPort cables with male ends into one longer cable
- » Instead of disconnecting a cable that is difficult to access or behind furniture, you can extend the existing DisplayPort cable connections up to 15 m
- » Provides pass-through support for all the DP features of the connected cables, source computer and output display
- » Reference connection length: 15 m for 28 AWG cable; 10 m for 30 AWG cable
- » Product dimensions: 4.08x2.64x1.18 cm
- » Product weight: 0.02 kg

⚠ CV0145 is for connecting the computer cables, not for TV.

⚠ To ensure the best viewing quality, please use the same specification for both DisplayPort cables.
