Mobile Hygiene Station

Art. No.: HC0009

Essential for Safe Public Areas

Sturdy steel Mobile Hygiene Station is designed to encourage people to take the necessary precautions according to the CDC guidelines on respiratory hygiene. Allows for easy movement of various personal protective equipment around schools, offices, hospitals or fitness centers.

Conveniently dispense masks, tissues, gloves or hand sanitizer wherever you need it.

Easy height-adjustment with the rotary knob to fit any situation.

Ideal for use in public areas, hospital, offices, and lobbies.

Helps promote better hygiene in public areas.

104–153 cm
